# Email your list to Santa

Tech-savvy kids who wish to email their letters to Santa can do so again this year – and enjoy Santa's online blog and website, too.

Children visiting www.asksanta.ca can connect to Santa's website where they can email their wish lists, play games or download colouring sheets. Santa has even included a recipe or two for his favourite cookies.

Kids can also link to Santa's blog on

Windows Live Spaces to get their bedtime updates from the man in red.

"Today's technology has given me the tools I need to connect with children all over the world. I no longer need to check my list twice," said Santa Claus. "With so many ways to communicate, I feel closer to all the good little boys and girls than ever before."

Santa said he will respond personally to each email he receives.

# Help kids in Mexico with old swimsuits

About 120 children in Mexico would directly benefit from that swimsuit your son or daughter grew out of this year.

A teacher at Riverbend School, Miss Lee, will be heading to Puerto Vallarta, Mexico in December to work with 120 orphaned or seriously disadvantaged children.

Each year at Christmas, many resort owners in the area open up the grounds for

these children and provide food and allow them to spend the day swimming. However, since many children can't afford a swimsuit, Riverbend School is asking area parents to donate swimming trunks for the boys or one-piece swimsuits for girls.

Donations can be dropped off at the office before Dec. 1. The school is located at 123 Red River Blvd.
