

Help kids in Mexico with old swimsuits

Children in Mexico would directly benefit from that swimsuit your son or daughter outgrew this year.

Miss Lee, a teacher at Riverbend School, will head to Puerto Vallarta, Mexico in December to work with approximately 120 orphaned or

seriously disadvantaged children.

Each year at Christmas, many resort owners in the area open up the grounds for these children, providing food and allowing them to spend the day swimming. However, since many children can't afford a swimsuit,

Riverbend School asks area parents to donate swimming trunks for boys or one-piece swimsuits for girls.

Donations can be dropped off at the office before Dec. 1.

The school is located at 123 Red River Blvd.
